

Directions From Nelson Airport

■ The only road leaving Nelson Airport is Trent Drive; follow this drive as it veers to the right through the first roundabout. You will quickly reach another roundabout - turn to the right, placing you on Quarantine Road.

■ Proceed through the next roundabout (past World Of WearableArt), at the next roundabout, drive around to the right towards "Richmond/Westport Highway 6" road. You are now on Whakatu Drive.

■ At the next roundabout again veer right for the "Collingwood/Westport Highway 6" road.

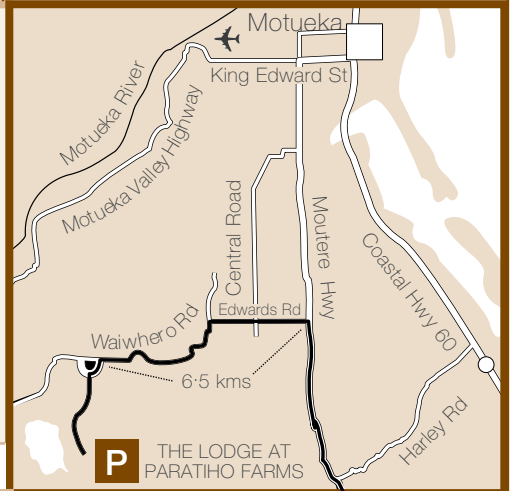

■ You are now in the suburb of Richmond, and will come to cross-roads with traffic lights. Head straight through following the "Motueka/West Coast Highway 6" sign. You are now on Gladstone Road.

■ At the next roundabout, turn right following the "Motueka/Collingwood 60" sign. You are now on the Appleby Highway (Coastal Highway 60).

■ After 6 kilometres and having just crossed "Appleby Bridge", take the second turn on your left (Moutere Highway).

■ Follow this road for approx. 25 kilometres, through the historic little township of Upper Moutere, until the sign for Edwards Road - sign is on the right but road is on the left. Unfortunately this turn-off is not well-lit at night, so we advise you to note your kilometre reading.

Driving Distances (kms)

(The road before Edwards Road is called Braeburn Road).

■ You now have 6.5 kilometres to go. Follow Edwards Road to a "T" junction and turn left into Waiwhero Road. After 3-5 minutes you will cross a narrow bridge, beyond which is a large tree with the Paratiho Farms sign below. We are 3 kilometres up the private sealed driveway.

■ Total journey from the airport is about 50 minutes.
